

# Vixen, Streets In Paradise

Pretty people pretty cars  
Living in the lap of luxury  
But this precious fantasy  
Seems so close when it's so far from me  
Tell me where to get in line  
Show me how to change my luck this time

CHORUS:

People turn their backs on you  
On the streets in paradise  
When you're not the chosen few  
It's hot as hell and cold as ice  
Everyday's another fight  
Living on the streets in paradise

Come on

All that glitters isn't gold  
Promises and dreams can get so old  
I know what this game's about  
People chew you up and spit you out  
I need some kind of a sign  
Can't seem to get into this dream of mine  
CHORUS

There ain't no sacrifice  
That I won't make I'll pay the price  
Oh no I won't think twice  
Nothing comes cheap in paradise

Tell me where to get in line  
Can't seem to get into this dream of mine

CHORUS
