

# Vogues, You're The One (That I Love)

Everytime we meet, everything is sweet  
Ooh, you're so tender, I must surrender  
My love is your love now and forever

(Chorus)

You're the one that I long to kiss  
Baby, you're the one that I really miss  
You're the one that I'm dreamin' of  
Baby, you're the one that I love

Keep me in your heart, never let us part  
Ooh, never leave me, please don't deceive me  
I want you only, you must believe me

(Chorus)

I adore you and no one before you  
Could make me feel this way, yeah  
Since I met you, I just can't forget you  
I love you more each day, yeah yeah yeah yeah

(Solo)

You're the one, yeah yeah yeah yeah

There may be some tears through the comin' years  
Ooh, all the while I know you'll be smilin'  
Your love will guide me through every mile, 'cause...

(Chorus)

(Fade)
