

Voice Of The Beehive, Little Gods

Little girls shouldn't treat
little boys they happen to meet
like little gods.
Do they keep their promises ?
No they break them, why do they
make them ?
Do they treat us like
They keep you going without you
knowing.
Is there nothing else to do than
to chase after forever after ?
Don't you think you're wasting time
waiting by the phone pretending not
to care.
Hello ? It's who ? Oh I thought it was
Oh I hoped it was. Oh I knew it was you.
Little girls, little boys, little gods.
