Void Of Silence, With No Half-Measures

its criteria are easy 'n' fast hidden behind... the sun he lights you through the moon and you're great and he's your friend these are the criteria ov 666 ego decore domine sathanas ego decore domine sathanas

his word inspires you with a little hope he gives you courage, the courage of despair he can enlighten you on reality and death your life in his hands and the dream become real the unbelievable in everything just observe through the third eye

flamme odi urite, dolorem meum vindicate urite in nomine noctis vita malum est, instructa ad malum universi finis malum est omnia malis est. omnia est. malis est.

now. free the dogs of war
pester the church of god
molest the chosen one
everything here is sin
man is sin and good is sin
give us the illusions we lost
in the name of power
of luxury
of blood money
in the name of nothing and none
damned goat, give us back the pure valley
and the moonlight nights
