

Voivod, Erosion

Feel deranged

Deep inside

Transparent

Cyanide

Misleading

Illusions

Decide on

A solution

Simulate

Perfection

Disconnect

Reception

Transmit

Insanity

Overlooked

Memeories

The time

The time has come

To turn

To turn around

To see

To see the light

The star

The star beyond

All this pollution

The world

The world is indeed

Will start

Will start to bleed

Your life

Your life becomes

A mess

A mess it's gone

All this pollution

All this pollution

All this pollution

All this pollution
