

# Volbeat, I Only Wanna Be With You

I don't know what it is  
That makes me love you so  
I only know I never wanna let you go  
'Cos you started something  
Oh, can't you see  
That ever since we met  
You've had a hold on me  
It happens to be true  
I only want to be with you

It doesn't matter where you go or what you do  
I wanna spend each moment of the day with you  
Oh, look what has happened with just one kiss  
I never knew that I could be in love like this  
It's crazy but it's true  
I only want to be with you

I don't know what it is  
That makes me love you so  
I only know I never wanna let you go  
'Cos you started something  
Oh, can't you see  
That ever since we met  
You've had a hold on me  
It happens to be true  
I only want to be with you

You stopped and smiled at me  
Asked if I'd care to dance  
I fell into your open arms  
And I didn't stand a chance

Now, listen, honey  
I just wanna be beside you everywhere  
As long as we're together, honey  
I don't care  
'Cos you started something  
Oh, can't you see  
That ever since we met  
You've had a hold on me  
It happens to be true  
I only want to be with you  
No matter what you do  
I only want to be with you
