

Volcano, Damien Rice

Don't hold yourself like that
Cause you'll hurt your knees
Well, i kissed your mouth and back
That's all i need
Don't build your world around
Volcanos melt you down
What i am to you is not real
and what i am to you, you do not need
what i am to you, is not what you mean to me
give me miles and miles of mountains
and i'll ask for the sea
Don't throw yourself like that
in front of me .
I kissed your mouth, your back
Is that all you need?

Don't drag my love around, yeah
volcanos melt me down
and what i am to you, is not real
and what i am to you, you do not need
and what i am to you, is not what you mean to me
give me miles and miles of mountains
and i'll ask for... what i give to you
its just what im going through
this is nothing new
no, no just another phase of finding what i really need
is what makes me bleed
like a new disease
lord, she's still too young
