## Voltaire, Vagina Song

Some of them are hairy Some of them are bald Some are kinda scary And this is what they're called...

Vagina! (Vagina) (X2) They call that thing vagina

Some belong to virgins They're really tight and strong But big or small, I love 'em all That's why I sing my song

Vagina (vagina)(X2) They call that thing vagina

Some of them are smelly Like clams, and fish, and such Some smell like a summers' eve 'Cause they've been douched too much

Vagaina (vagina)(X2) They call that thing vagina (X2)

Nothing could be finer than to be in a vagina in the morning
