

# Vomitory, Blessed And Forsaken

Music: T Gustafsson

Lyrics: Dalegren

A relic of tyranny  
Worship and sanctuary  
Love and oppression  
Guided by a sign  
A sign of suffering  
Enter paradise

Kiss the cross  
Tasting salvation  
The holy semen  
Thank you Master

Saviour of souls  
Feeble minded  
Enslaved by birth  
See the truth  
See the lies  
The buried won't tell

Receive the blessing  
Father to daughter  
Chased by demons  
An acid mayhem  
Spellbound by fear  
Bury your blood

Kiss the cross  
Tasting salvation  
The holy semen  
Thank you Master
