

# Vomitory, Nailed, Quartered, Consumed

(Music: T Gustafsson)

(Lyrics: Dalegren)

Explorers in the further regions of pain  
A morbid taste for the flesh  
Therefore this encomium to meat  
Commencing the orgy of meat and blood

Nothing eludes death  
Nailed, quartered, consumed

Where screams can't be heard  
Nailed to the chopping block  
Brutally slaughtered like cattle  
Quartered into pieces soon to be consumed

Nothing eludes death  
Nailed, quartered, consumed

Slowly drained of blood and life  
Shattered scraps is all that remains  
Possessed by the taste of humans  
Consumed by the cannibal cult

Nothing eludes death  
Nailed, quartered, consumed
