

# Vomitory, Raped In Their Own Blood

Music: T. Gustafsson

Lyrics: R. Olson

With bloodbath, death and chaos dominates  
All slaughtered, no one left to cry  
Bloodlust, the air is filled with pure hate  
With sodomy, blasphemy and rape

Massacre, no one spared from suffering  
Horried, defeated humans raped  
On their knees, completely soaked in blood and sweat  
With crushed pride, a parasite breed

Sodomy, desecrate the weak  
Bloodbath, orgasmic hate  
Adrenaline, a total revenge carnage  
death metal traitors die  
Raped in their own blood

Breathing our vengeance, inhaling their fear  
Coldblooded murder, dying in tears  
Bestial instinct, sadistic lust  
True metal orgasm, crushing their crust

Death  
Desecrated, screaming  
Raped  
Stained with blood and semen  
Sodomy  
Begging for remorse or sympathy  
All traitors shall be crushed on their bare knees

With bloodbath, death and chaos dominates  
All slaughtered,  
No one left to cry  
Bloodlust,  
The air is filled with pure hate  
With sodomy,  
blasphemy and rape

Sodomy, desecrate the weak  
Bloodbath, orgasmic hate  
Adrenaline, a total revenge  
carnage  
death metal traitors die  
Raped in their own blood
