

# Vonda Shepard, Baby Don't You Break My Heart

I like the way you wanted me  
Every night for so long baby  
I like the way you needed me  
Every time things got rocky

I was believing in you  
Was I mistaken do you say  
Do you say what you mean  
I want our love to last forever

(Chorus)  
But I'd rather you be mean than love and lie  
I'd rather hear the truth and have to say goodbye  
I'd rather take a blow at least then I would know  
But baby don't you break my heart slow

I like the way you'd hold me  
Every night for so long baby  
I like the way you'd say my name  
In the middle of the night  
While you were sleeping

I was believing in you  
Was I mistaken do you mean  
Do you mean what you say  
When you say our love could last forever

(Chorus)  
Well I'd rather you be mean than love and lie  
I'd rather hear the truth and have to say goodbye(goodbye)  
I'd rather take a blow at least then I would know  
But baby don't you break my heart slow

(Bridge)  
You would run around and lead me on forever  
While I wait at home still thinking we're together  
I wanted our love to last forever

I was believing in you

(Chorus)  
I'd rather you be mean than love and lie  
I'd rather hear the truth and have to say goodbye  
I'd rather take a blow at least then I would know  
But baby don't you break my heart slow

Dont love and lie  
I'd rather hear the the truth and have to say goodbye  
I'd rather take a blow at least then I would know  
But baby don't you break my heart slow  
Baby don't you break my heart slow
