## Vonda Shepard, Could I Have This Dance

I'll always remember the song that was playing The first time we danced and I knew As we swayed to the music and held to each other I fell in love with you

Could I have this dance for the rest of my life Would you be my partner every night When we're together it feels so right Could I have this dance for the rest of my life

I'll always remember that magic moment When I held you close to me As we moved together, I knew forever You're all I'll ever need.

Could I have this dance for the rest of my life Would you be my partner every night When we're together it feels so right Could I have this dance for the rest of my life

Could I have this dance for the rest of my life Would you be my partner every night When we're together it feels so right Could I have this dance for the rest of my life
