

Vonda Shepard, Let It Snow

Written by Vaughn Monroe, Sammy Cahn, and J.Styne

The snowman in the yard is frozen hard
Hes a sorry sight to see
If he had a brain
He'd complain

Oh, the weather outside is frightful
But the fire is so delightful
And since we know place to go
Let it snow!Let it snow!Let it snow!

When we finally kiss goodnight
How i'd hate going out in the storm
But if you really hold me tight
All the way home i'll be warm
The fire is slowly dying
And my dear were still goodbyeing
But as long as you love me so
Let it snow!Let it snow!Let it snow!!!!
