

Vonda Shepard, Rain Or Shine

Every time you go
This much I know
That it don't mean nothing
Cause I've closed the back door
And every night apart you were in my heart
So don't you worry
Cause I'm ready for this love to restart

There is a reason
We came together
Rain or Shine I'll love you all my life
We'll weather the seasons
We'll laugh and cry
Rain or shine I'm yours, you're mine
I'll love you all my life

When I feel afraid
In my own parade
That marches through me
And I don't recognize
A single face
You drew a line in the sand
Then you took my hand
And we crossed over
Now I finally understand that

There is a reason
We came together
Rain or Shine I'll love you all my life
We'll weather the seasons
We'll laugh and cry
Rain or shine I'm yours, you're mine
I'll love you all my life

Yeah...

Now I finally understand that...

There is a reason
We came together
Rain or Shine I'll love you all my life
We'll weather the seasons
We'll laugh and cry
Rain or shine I'm yours, you're mine I'll love... yeah

There is a reason
We came together
Rain or Shine I'll love you all my life
We'll weather the seasons
We'll laugh and cry
Rain or shine I'm yours, you're mine
I'll love you all my life
