

Vonda Shepard, Wherever You Are

Come out, moon.
Come out, wishing star.
Come out, come out,
wherever you are.

I'm out here in the dark,
all alone and wide awake.
Come and find me.
I'm empty and I'm cold
and my heart's about to break.
Come and find me.

I need you to come here and find me,
Cause without you I'm totally lost.
I've hung a wish on every star,
It hasn't done much good so far.
I can only dream of you,
wherever you are.

But when the morning comes
and the sun begins to rise
I will lose you,
because it's just a dream,
When I open up my eyes
I will lose you.

I used to believe in forever,
but forever's too good to be true.
I've hung a wish on every star,
It hasn't done much good so far.
I can only dream of you,
Wherever you are.

I'll hear you laugh,
I'll see you smile,
I'll be with you
Just for a while.
Oh, I'll be there just for a while.

I used to believe in forever
but forever's too good to be true.
I've hung a wish on every star,
it hasn't done much good so far.
I don't know what else to do,
except to try to dream of you.
I wonder if you're dreaming too,
wherever you are.

Wherever you are....
