

# Voodoo Glow Skulls, DD Don't Like Ska

She don't like the Toasters or the Skeletones  
She'd rather pound some beers  
And listen to the Ramones

Hemet backyard parties or hanging out at Johnnie's  
&quot;Fucking A/ right man&quot;, this is what she says

She loves alcohol, not Toots and the Maytals  
Give her another beer, she'll kick your face in baby

[Chorus]  
DD don't like ska, yes it's true  
She likes to party like Motley Crue  
DD don't likes ska, life's a bitch  
She likes to get fucked up and do fucked up shit

DD don't like ska, yes it's true  
She likes to party like Motley Crue  
DD don't likes ska, life's a bitch  
She likes to get fucked up and do fucked up shit

□  
No trombones or saxophones  
Skany guitars will make her groan

Smoking weed and not feeling irie  
Fuck you hippies yelling at parties

Sloppy Seconds, Subhumans  
She'll sing those songs again and again  
Come back DD,DD come back to me

[Chorus]

Let's Go!
