

# Voodoo Glow Skulls, On The Attack

Now that the whole third wave is gone  
It's time for us to carry on  
We took a break and stayed away  
Now we've got a lot of things to say

Don't give a f\*\*k about your scene  
Because everyone already thinks we're mean  
We'll take the credit and wear the shoes  
For starting shit back in 92'

We're Back!..Back and on the attack!!

We've talked the talk and walked the walk  
Set the pace for metalliska  
Mock us , mock us, if you can  
Because we don't play like other bands

We like our fans to be nice and clean  
Underage and about sixteen  
All you burn outs stay away  
Tell your mom I'm running late  
You'd better be prepared for judgement day  
We know where you'll be found  
You'd better be prepared for judgement day  
Because it's starting now

We stake our claim  
And claim no fame  
We think skacore's pretty lame  
Someone make it go away  
Let's not mention any names

Wanna hear our final thought?  
We think all all of you should get shot  
And if you think we're really playing?  
We'll introduce you to our friend wayne
