

Voodoo & Serano, Sunglasses at night

I wear my sunglasses at night
So I can, so I can
Keep track on the visions in my eyes
I wear my sunglasses at night
I wear my sunglasses at night
I wear my sunglasses at night
So I can, so I can
Watch you weave then breath your story lines
I wear my sunglasses at night
So I can, so I can
Keep track on the visions in my eyes
I wear my sunglasses at night
So I can, so I can
Watch you weave then breath your story lines
I wear my sunglasses at night
So I can, so I can
Keep track on the visions in my eyes
