

VS, Make It Hot

4...3...2...1

(Can You Rock With This)

(Yeah)

(Baby Rock)

(Baby Rock)

(Baby Rock With This)

(V....S)

Hey girl why you chillin' in the back

Why d'you land in the cut like that

So hot where do I begin

With that body you're a perfect sin

Pick it up just a little bit

For you moves you look so fit!

Shake it off work it out for me

Warm it up let me feel the heat

If you're feeling what im feeling come and get a taste

If you're needing what I'm needing I know this place

If your knowing what im meanin' then come lets roll (Oh)

Make it hot (yeah)

From the corner to the centre of the club (yeah)

Holler at me now can we make it pop

Let's get this started

Raise your hands for me

Make it hot (yeah)

From the floor to the ceiling heat it up (Yeah)

Keep sweating to the very last drop

Working your body

let it drip on me

Hey ma I like what I see

The way your rockin' them low cut jeans

Its like a fever when your close to me

I'm burnin up can you feel the heat

Oh boy I like your style

Caught up I'm so ...?....

Sure boy I'm feelin it

Its like I can't resist

If you're feeling what I'm feeling come get a taste

If you're needing what I'm needing I knwo this place

If your knowing what im meanin' then come lets roll (Oh)

Make it hot (yeah)

From the corner to the centre of the club (yeah)

Holler at me now can we make it pop

Let's get this started

Raise your hands for me

Make it hot (yeah)

From the floor to the ceiling heat it up (Oh) (Yeah)

Keep sweating to the very last drop (Oh)

Working your body

let it drip on me

Starting at one, the party's only just begun

Twos for you,we're in the club havin' some fun

Now for three, spending money continuously

Four, we can make it hotter than 100 degrees

five, now thats where I begin to tease

six, feels so good got you dwon on ya knees

seven, We can turn that temperature up

eight, You want five coz my love is so hot

Roll, Roll with me

Move, move with me

Slide, slide with me (Oh)

Make it hot (Yeah)

Roll, Roll with me

Move, move with me

Slide, slide with me (Yeah come on) (Oh)

Make it hot (Yeah)
(2x)
