

# W.A.S.P., Forever Free

I ride all alone and can't see  
The road to nowhere anymore  
And shadows whispers are calling me  
To forbidden forests by the shore  
And there she fell, deep in the night  
One breath away from heavens light  
And she said - don't cry for me I'm leaving you  
The wind cries her name in the breeze  
But I can't hold her anymore /no, no, no/

Some fallen angel had come to me  
And fell too heavy on my soul  
And stole from me the love that I heard  
Lords of time say never die  
And she sad - don't cry for me, because I'll be

Riding the wind forever free  
High in the wind forever free  
I'll ride the wind forever free  
High in the wind forever free

Forever in my hearts a fire, a fire burning  
I wake up nights and hear her crying, crying my name
