## W.A.S.P., Forever Free

I ride all alone and can't see The road to nowhere anymore And shadows whispers are calling me To forbidden forests by the shore And there she fell, deep in the night One breath away from heavens light And she said - don't cry for me I'm leaving you The wind cries her name in the breeze But I can't hold her anymore /no, no, no/

Some fallen angel had come to me And fell too heavy on my soul And stole from me the love that I heard Lords of time say never die And she sad - don't cry for me, because I'll be

Riding the wind forever free High in the wind forever free I'll ride the wind forever free High in the wind forever free

Forever in my hearts a fire, a fire burning I wake up nights and hear her crying, crying my name
