

W.A.S.P., Hate To Love Me

YOU KNOW I deceived ya
You see it's all in my eyes
A marquee of madness
DeSade I claim that you're mine
The mad eyes of your lover
In through my eyes you see
No you'll never run

I know your emotions
Are slaves I've bound and I've tied
You'll never be free
Cause you Master's chained to your life
The mad eyes of your lover
In through your soul I see
No you'll never run

I got no face
But I've a name
I'll touch, and add you to my fame
I'll set you free but understand
Mom and daddy made me what I am
The mad eyes of your lover
In through your soul I see
No you'll never run

I know you hate to
Love me, love me
No matter what you do
I know you hate to love me, love me
Oh no you got nothing to lose no, no
