

# W.A.S.P., Jack Action

I've been uptown, all around  
I've looked here there everywhere  
He killed my babe, today, with a gun  
I'll get him now, he can't run  
Well I'm looking for, looking for

Looking for Jack Action  
To get my satisfaction  
Looking for Jack Action  
I'm looking, looking...

Now I can't believe she's gone away  
He better run, ya know I don't play  
Took my babe, my life, he's on the run  
Look out Jack now, here's my gun, yeah  
Well I'm looking for, looking for

Looking for Jack Action  
To get my satisfaction  
Looking for Jack Action  
I'm looking, looking...

Oh no, a man with a war to wage  
I'm a suicide brigade  
He's mine, he's all mine  
My bullets are bearing his name  
And his life is mine to claim  
It's time, now it's time

Jack Action, where are you?  
It's been too long since I've known  
Won't give up on you till I'm done  
You'll be dead soon, you can't run, no  
Cause I'm looking for, looking for

Looking for Jack Action  
To get my satisfaction  
Looking for Jack Action  
I'm looking, looking...
