

W.A.S.P., My Tortured Eyes

Hooray for the last of the madness
Hooray for no more misery
Cause I'm in the middle of darkness
Ya see no hope's a dangerous thing

Come on and kill me
I know that's what you want
Kill me, I know that's what you want
Kill me, I know that's all you want
Kill me, I know that's all you, all that you want

One way takes away all the sadness
One way take away all of me
You pushed me to a suicide darkness
Gimme some death mama, my name's misery

Come on and kill me
I know that's what you want
Kill me, I wanna die in your arms forever
Kill me, I know that's what you want
Kill me, so my tortured eyes
Never see you again

There's hate on face, the last that I'll ever see
As I stare into the eyes of my misery
And I'll leave you with the memory of me
My sweetest revenge lies here in your misery

Hooray for the horror of darkness
Hurray for the horror is me
I'm inside on the dark ride of madness
Gimme some death daddy, my name's misery

Come on and kill me
I know that's what you want
Kill me, I wanna die in your arms forever
Kill me, I know that's what you want
Kill me, so my tortured eyes
Never see you again
So I never see you again
So I never see you again
