

W.A.S.P., Sister Sadie (And Her Black Habits)

(Sister Sadie Strip off your things
to Jesse) And bow to your queen
And cleanse the sins of your life
Get on your knees
Gonna beg and bleed
No one hears you - you belong to me
Reaper of your sorrow's seed
Black habits tonight
Your only sin
Was coming into Sadie's life

(Jesse to Sister Of No Mercy please
(Sister Sadie) I'm praying to die
Can I cleanse my orphan sin.
And save my soul tonight - when.

I don't believe
I don't believe
In a God of love..
I won't deceive
I don't conceive at all.....

I don't believe
I don't believe
In a God above
I don't believe
I won't receive no more

(Sister Sadie What I do to thee
to Jesse) Is what was done to me
Sins of the fathers lives
And do you feel
There's a God for real
Ooh your only God is me

(Jesse to Reaper of my sorrow's seed
(Sister Sadie) And my screams in the night
My only sin was coming into Sadie's life
Sister of No Mercy please
I'm praying to die
Can I cleanse my orphan sins
And save my soul tonight - when

I'm f**ked for life
Blind and tied nobody sees
I'm f**ked for life
I'm the child no mother needs
I'm f**ked for life
The cries of night for all Sadie's needs
I'm f**ked for life
I'm the child nobody sees

(Sister Sadie
Oh you, I'll make you think you're dying
to Jesse) This room cleansing time again
I'll take you to this House of Sorrows
I'll break your Neon Heart of sin

(Jesse to
Oh are you mad
(Sister Sadie) I'm going fast
Habits in black
No coming back
No Mercy Me

This Hell is real
Why me ya see
She's here killing me
