

# W.A.S.P., The Great Misconceptions Of Me

Welcome to the show the great finale's finally here  
I thank you for coming into my theatre of fear  
Welcome to the show, you're all witnesses you see  
A privileged invitation to the last rights of me

Remember me? You can't save me  
Mama you never needed me  
No crimson king, look in my eye, you'll see  
Mama I'm lonely, it's only me, only me

I don't wanna be, I don't wanna be, I don't wanna be  
The crimson idol of a million  
I don't wanna be, I don't wanna be, I don't wanna be  
The crimson idol of a million eyes, of a million

I am the prisoner of the paradise I dreamed  
The idol of a million lonely faces look at me  
Behind the mask of sorrow, four doors of doom behind my eyes  
I've got their footprints all across my crimson mind

Long live, long live, long live the king of mercy  
Long live, long live

There is no love, to shelter me  
Only love, love set me free  
No love, to shelter me, only love, love set me free

I was the warrior, with an anthem in my soul  
The idol of eight thousand lonely days of rage ago  
And remember me when it comes your time to choose  
Be careful what you wish for, it might just come true

Red, crimson red, am I the invisible boy  
The strap on my back  
Red, crimson red, no I was never to be  
Only one crimson son, no it never was me

Living in the limelight little did I know  
I was dying in the shadows and the mirror was my soul

It was all I ever wanted, everything I dreamed  
But the dream became my nightmare and no-one could hear me scream  
With these six-strings, I make a noose  
To take my life, it's time to choose  
The headlines read of my suicide, of my suicide

Oh sweet silence, where is the sting  
I am no idol, no crimson king  
I'm the imposter, the world has seen  
My father was the idol, it was never me  
I don't wanna be, I don't wanna be, I don't wanna be  
The crimson idol of a million  
I don't wanna be, I don't wanna be, I don't wanna be  
The crimson idol of a million eyes

No love, to shelter me, only love  
Love set me free  
No love, to shelter me, only love  
Love set me free
