

Wade Hayes, She's Actin' Single, I'm Drinkin' Double

Album: A Tribute to Tradition

I've seen men look at her before
And they think, I don't see 'em
I'd like to think it makes me proud
But, I'm only. fooling me.

I know she'll be lookin' back
The minute I'm not there
While she pours herself on some stranger
I pour myself a drink somewhere.

She's acting single
I'm drinking double
I hide my pain
I drown my troubles.

My heart is breaking
Like the tiny bubbles
She's acting single
I'm drinking doubles.

--- Instrumental ---

I know all she plans to do
But I don't know where or when
If I ask who that stranger was
She'll just say, "An old friend."

I'm not weak, I tell myself
I stay because I'm strong
The truth is, I'm not man enough
To stop her from doing me wrong.

She's acting single
I'm drinking doubles
I hide my pain
I drown my troubles.

My heart is breaking
Like the tiny bubbles
She's acting single
I'm drinking doubles.

She's acting single
I'm drinking doubles
I hide my pain
I drown my troubles.

My heart is breaking
Like the tiny bubbles
She's acting single
I'm drinking doubles.

She's acting single
I'm drinking doubles...
