Wade Hayes, Someone Had To Teach You

(Harlan Howard/Bill Hervey)

Yes I'll take you back again you knew I would For I go loving you that's understood But it's the first time you've come back With tears in your eyes Lately someone's taught you how to cry

Someone had to teach you I didn't have the heart To hurt you just like you've been hurtin' me Someone had to teach you things its time that you knew Now maybe you'll be satisfied with me

Someone took your heart and rubbed it in the dirt And you look just like a puppy when it's hurt But you've had this lesson coming fo so very long Our sins have a way of coming home
