

# Wade Hayes, Steady As She Goes

(Don Cook/Ronnie Dunn/Kix Brooks)

Tonight I came home late again  
She didn't ask me where I've been  
Her bags were packed and sitting by the door  
She looked at me and said goodbye  
I did my best to change her mind  
But she don't want to hear it anymore

She's steady as she goes  
Now she's not crying  
If I said it didn't hurt  
I'd be lying  
Where she got the strength to leave  
Heaven only knows  
But she's rock steady as she goes

It tears me up to watch her go  
But deep inside my heart I know  
Leaveing is the only choice she has  
I guess she finally got the nerve to give me just what I deserve  
She's had enough and she ain't looking back

She's steady as she goes  
Now she's not crying  
If I said it didn't hurt  
I'd be lying  
Where she got the strength to leave  
Heaven only knows  
But she's rock steady as she goes
