

# Wade Hayes, This Is My Heart Talking Now

(Lewis Anderson/Jason Sellers)

I know how much I've hurt you  
Trying to stand my ground  
Raising my voice building defenses  
While trying to tear yours down

I want you so much, I need you so near  
Please don't give up til I make that clear  
Cause

This is my heart talking now  
No anger, no ego, no pride  
This is my soul reaching out  
With all that I'm feeling inside  
The words that I've spoken  
They left your heart broken  
They came out wrong somehow  
But this is my heart  
This is my heart talking now

Maybe you're certain it's over  
Maybe I can't change your mind  
Mabe me saying I'm sorry  
Will just seem a waste of time  
But I couldn't bare if you walked away  
Not knowing for sure that  
I love you this way

This is my heart talking now  
No anger, no ego, no pride  
This is my soul reaching out  
With all that I'm feeling inside  
The words that I've spoken  
They left your heart broken  
They came out wrong somehow  
But this is my heart  
This is my heart talking now

This is my heart  
This is my heart talking now
