

Wakefield, Fall To Pieces

Call me what you will
I have some time to kill
Before we go our separate ways
I promise not to forget you
If you remember me too
There's some things that I must do
Then I'll come back to you
I hope that you'll still feel the same
We can't throw this all away, ye-ah

To be honest
I tried my hardest
To give you all that you deserve
To see you hurt, is all my fault
I'm stupid and I'm sorry
Fall to pieces (Don't wait up for me)
Lonely she waits (Congratulations, I'm not happy)
Absence makes the heart grow fond
So I'm gone

Don't wait up for me
Some things are meant to be
I guess we'll have to wait and see
Until then I will hold you dear (Dear)
I never could believe
How you put up with me
You were never a last priority
It hurt those times to hear you say
You knew it would end up this way

To be honest
I tried my hardest
To give you all that you deserve
To see you hurt, is all my fault
I'm stupid and I'm sorry
Fall to pieces (Don't wait up for me)
Lonely she waits (Congratulations, I'm not happy)
Absence makes the heart grow fond
So I'm gone

So I'm gone

So I'm gone

So I'm gone

I'm sorry
Forgive me
So Sorry
Forgive me
Yeah, yeah, yeah

To be honest
I tried my hardest
To give you all that you deserve
To see you hurt, is all my fault
I'm stupid and I'm sorry
Fall to pieces (Don't wait up for me)
Lonely she waits (Congratulations, I'm not happy)
Absence makes the heart grow fond
So I'm gone

So I'm gone
