

# Waking Ashland, The Politics Of Life

Sat around and thought about destiny  
Which led me to feelings I could not conceive  
Because I was holding on to yesterday  
Had to let go to find today

Do do do, you're breaking through my boundaries  
Do do do, the many moons it took me to find you  
Do do do, Do do do, you're burning through  
I want to fall in love with you

Sat around and talked about politics  
And all the different reasons why we exist  
But what if the answer is right in front of me  
Turning these pages?

Do do do, you're breaking through my boundaries  
Do do do, the many moons it took me to find you  
Do do do, Do do do, you're burning through  
I want to fall in love with you

It's taken me over  
It's taken him over  
I'm thinking it over

Do do do, you're breaking through my boundaries  
Do do do, the many moons it took me to find you  
Do do do, Do do do, you're burning through  
I want to fall in love with you
