

# Wale, Tiffany Nikes

I take a win, I take a loss  
Revenue good but my legacy not  
They on the fence, I'm on the charts  
Talk with my money and speak with my heart  
Niggas don't like me and they don't know why  
But don't matter, won't fight me  
2009, I was putting 'em on, they wasn't excited  
Now they on the blogs for dressin' just like me, ironic  
Tell me you, tell me you, tell me you (hot)  
Who work for the government, not for the block  
Tell me you, tell me you, tell me you (hot)  
A decade or better, with how many bops?  
Hell if I know why them crackers don't like me  
Maybe I'm Black and I'm actin' just like it  
Maybe my passion done fucked up my prices  
Got too many bitches and too many vices  
Tiffany, Tiffany, Tiffany Nikes  
Don't get it twisted, you just got invited  
Pull up with Lik, he ain't thinkin' about it  
Some niggas be eatin', some niggas be bitin'  
Rep for the niggas that's seekin' some knowledge  
Fuck with the queens but ain't geekin' about 'em  
Trust me I'm sayin', this shit ain't a game  
The least you could do is go tweet for Breonna  
I do not fuck with white people who silent  
I do not fuck with white people who quiet  
I do not fuck with white people who see it  
Don't say it, I'm sayin', they racist compliant  
I know some teenagers facin' some charges  
His ankle be beep but still need one more body  
Heart is a stone, that's all that he know  
I wish I could show him that pressure make diamonds, they  
Tiffany, Tiffany, Tiffany, Nikes  
'Fore I was famous, I skated with diamonds  
Tiffany, Tiffany, Tiffany, Nikes  
That was '05, I was always the livest  
Tiffany, Tiffany, Tiffany, Tiffany, Tiffany, Tiffany, Tiffany, though  
Tiffany, Tiffany, Tiffany, Tiffany, Tiffany, Tiffany, Tiffany, though
