

Walk To Remember, Cry

I'll always remember
It was late afternoon
It lasted forever
And ended so soon (yea)
You were all by yourself
Staring up at a dark gray sky
I was changed

In places no one will find
All your feelings so deep inside (deep inside)
Was there that I realized
That forever was in your eyes
The moment I saw you cry (cry)

Moment that I saw you cry

It was late in September
And I've seen you before (seen you before)
You were always the cold one
But I was never that sure

You were all by yourself
Staring up at a dark gray sky
I was changed

In places no one will find
All your feelings so deep inside (deep inside)
Was there that I realized
That forever was in your eyes
The moment I saw you cry

I wanted to hold you
I wanted to make it go away
I wanted to know you
I wanted to make your everything, all right....

I'll always remember...
It was late afternoon...
In places no one will find...
(Baby oh no nooooo)

In places no one will find
All your feelings so deep inside
(forever was in your eyes)
It was there that I realized
That forever was in your eyes
The moment I saw you cry
Baby cry
The moment that I saw you cry
I think I saw you cry
The moment I saw you cry

Fade out
I wanted to know you
I wanted to know you
I wanted to know you
