

Walk To Remember, No One

Well I cannot ever really believe
no one was out to get me
I feel like I'm being erased
no one got left here

Well I'm all alone
no one was out to get me
Well I'm all alone
no one got left here

But I'm fine
no one got left here
And I'm fine
no one got left here

I can't even breathe when I see
The pictures sent without you
Well I feel like I'm being erased
No one got left here

Well I'm all alone
no one was out to get me
Well I'm all alone
no one got left here

But I'm fine
no one got left here
And I'm fine
no one got left here

I'm so sick of this terrible instinct
it's so hard now
Just to find you
I'm so sick of this terrible instinct
it's so hard now
Just to find you
I'm so sick of this terrible instinct
I can only hold you
I'm so sick of this terrible instinct
I can only find you

Well Its fine
no one got left here
Well Its fine
no one got left here
Well I'm fine
no one got left here
Well Its fine
no one got left here
