

# Walk To Remember, So What Does It All Mean?

The day I first met you,  
Well I thought it quite funny.  
Your eyes were so damn blue,  
Your smile was a drug, your style was money.

So what does it all mean  
To find someone that makes you cry inside?  
She's got the players on her team,  
How could I smile when all she did was say Hi?

(chorus)  
That one day when he is gone,  
I'll get my chance to ask you out.  
And then I'll show my colorful life.

I'd like to be like you.  
With a rep like yours my little honey.  
I'm not sure what I can do.  
Just know that I ain't no false money.

So what does it all mean?  
To try so hard to get the right words out.  
Well I wish I could come clean.  
I'll give it my all, but I have my doubts.

(chorus) x2  
That one day when he is gone,  
I'll get my chance to ask you out.  
That one day when he is gone,  
I'll get my chance to ask you out.  
That one day when he is gone,  
I'll get my chance to ask you out...

And then I'll show my colorful life x3
