

Walkabouts, Free Money

Every night before I go to sleep
I find a ticket and I win a lottery
I scoop them pearls up from the sea
I cash them in and buy you all the things you need

Every night before I rest my head
See them dollar bills go swirling 'round my bed
I know they're stolen, but I don't feel bad
I take that money and buy you things you never had

Oh baby, it would mean so much to me
Oh baby, buy you all the things you need, for free

Buy you a jet-plane, take you to the stratosphere
I'll buy you a jet-plane so we can check out all that's there
Where it's hot, hot, and ready and baby and cool, cold, you can feel the snow
It's a long way, a long way, got a long way left to go

When we're dreaming X2

Every night before I go to sleep
I find a ticket and I win a lottery
Every night before I rest my head
See them dollar bills go swirling 'round my bed

Oh baby, it would mean so much to me
Oh baby, buy you all the things you need, for free

When we're dreaming X2
When we're dreaming: free money, free money X2
