

# Walkabouts, Till I Reach You

I don't care how long it might last  
don't care anymore  
don't care about that

I don't care how long it might take  
I'm still wide awake  
out walkin' late

Till I reach you  
wait until I  
Till I reach you  
wait until I  
Till I reach you

I don't care if it takes half the night  
or a life  
or if it's all a slow dream  
ain't no answers in me

every slight of the hand  
every brick  
every stone  
I can face it alone  
walkin' alone

don't care anymore  
if it's short, fast, or blind  
the chalk lines are drawn  
I'm walkin' all night  
caressed and caroused  
don't care what it takes  
I'm still wide awake
