

# Wall Kingston, Shine On Me

Shine, shine on me  
Shine, shine on me  
Shine, shine on me  
Shine, shine on me

Can't you see it's all your future  
feelings have to be pushed away  
can't you see it's just a feeling  
Shine, shine on me

See me walking, see me crawling  
See my future, see a dead man  
See me walking, see me crawling  
Shine, shine on me

Shine, shine on me  
Shine, shine on me  
Shine, shine on me  
Shine, shine on me
