

Wall Of Voodoo, Animal Day

Grandma is a rhino
My brother is a dog
I can tell it's Animal Day
'Cause my best friend just turned into a frog
Bobby is a monkey
My girlfriend is a horse
But I'm not turning into anything
I never caused animal wars!
Uh-oh!
Growin' hair on my hands!
I'd better run for mirror!
I'm an animal!
Chorus:

It's Animal Day
It's Animal Day
It's Animal Day
It's Animal Day
Now the animals have cars
They're starting to run us over
Notches on the steering wheel
My pet is calling me Rover
Deers are hunting for humans
Seals keep crushing our heads
Animals betting on us at the track
My animal's in my bed
Chorus repeat
