## Wall Of Voodoo, Invisible Man

When you're out on the street, he's a face in the crowd He's a voice in the back, and he's never very loud In a tribal mask, or a business suit He'll stab your back and steal your loot Chorus: Invisibleinvisible man Invisibleinvisible man Invisibleinvisible man

Invisible invisible man Well, I saw him one night and he gave me a chill He was drivin' down the freeway in a Coupe de Ville Pulled up like a ghost and he hit his lights Saw his shadesman, they're outta sight Chorus repeat x2 Well, I saw him one night and he gave me a chill
