

# Walls Of Jericho, Ember Drive

The tears come strong again.  
I wasn't ready for your time to end.  
I swear I'd tear this world apart to save you.  
I think about that day.  
I'd do anything to forget the pain.  
but the skies burn and the flowers died.  
the flowers died in me.

(chorus)  
I can't do this without you.  
if I could hold you one more time I'd never let you go.  
I can't do this without you.  
if I could tell you one more time, that I love you.  
(chorus)

I close my eyes.  
I see your face.

I hold you in my heart.  
angel, your my guardian.  
I sing this song so you'll live on forever.  
like a storm that rages on.  
like a knight I would not back down.  
the day you left will always burn, burn inside my soul.

(chorus)  
I can't do this without you.  
if I could hold you one more time I'd never let you go.  
I can't do this without you.  
if I could tell you one more time, that I love you.  
(chorus)

I close my eyes.  
I see your face.

(chorus)  
I can't do this without you.  
if I could hold you one more time I'd never let you go.  
I can't do this without you.  
if I could tell you one more time, that I love you.  
(chorus)

I close my eyes.  
I see your face.

I close my eyes.  
I see your face
