

Waltari, So Fine-3-So Fine

The other side of time (is coming!)

Yes, I feel so fine

I feel real in my head

Oh, I feel so fine

We wanna feel so fine!

FINE!

The other side of time (how far is good!?)

Oh I feel so fine

I feel heat in my head

My feet are flying

We wanna feel so fine!

Yes, I feel so fine

I feel real in my head

Oh, I feel so fine

We wanna feel so fine!

Yes, I feel so fine

I feel space in my head

Move your body beat

We wanna feel so fine!

We wanna feel so fine!
