

Walter Egan, Get Out Of The Kitchen

By Dave Chamberlain and Walter Egan

I'm hungry, got a strong appetite
I need you for more than tonight
Like a fever ooo I'm on fire
Put your skin on my skin feel my desire
You know something's cooking
There's something in the pot
You're gonna get burned if you
Taste it when it's hot

Here's my position it's short and sweet
Get out of the kitchen
if you can't take the heat
Get out of the kitchen
if you can't take the heat

they say I'm ruthless got a real short fuse
But the truth is that I don't like to lose
So it's gotta be if you're gonna stay
You're gonna be with me you're with me all the way

Chorus

You'd best better not open your mouth
If you don't know what you're talking about
Love's not a game I thought that you learned
Put your hand in the flame
It's gonna get burned

Solo

So you'd better give all that you've got
Love's give and take can you take it when it's hot
