

Walter Egan, Unloved

Unkind
We kissed and made a vow
That you've undone
We're on a chase now
It's wrong
And I don't understand
I can't even call
You unlisted your phone
Unloved, unloved
Unloved, unloved
Until
I looked into your eyes

And fell under your spell
I got along fine
Untrue
It's untrue
And now our love
You let it unwind
Unloved, unloved, unloved
Unloved, unloved, unloved
Unloved, unloved
Unloved, unloved, unloved
Unloved, unloved, unloved
Unloved, unloved, unloved
