## Walter Egan, Unloved

Unkind
We kissed and made a vow
That you've undone
We're on a chase now
It's wrong
And I don't understand
I can't even call
You unlisted your phone
Unloved, unloved
Unloved, unloved
Until
I looked into your eyes

And fell under your spell I got along fine Untrue It's untrue And now our love You let it unwind Unloved, unloved, unloved Unloved, unloved Unloved, unloved Unloved, unloved Unloved, unloved Unloved, unloved, unloved Unloved, unloved, unloved Unloved, unloved, unloved
