

Walter Egan, You're Gonna Miss Me

by Walter Egan

You're gonna wake up one morning as the sun greets the dawn
You're gonna wake up one morning when the sun meets the dawn
You're gonna look around in your mind and find I'm gone

You didn't realize you didn't realize
You're gonna miss me baby

I gave you the warning but you never heeded it
How can you say you miss my love when you never needed it

You're gonna wake up wondering find yourself all alone
But what's gonna stop me baby I'm not coming home .
