

Walters Jamie, Drive Me

I am a bright red Stingray
From nineteen sixty eight
I think I've got something here
You will appreciate
We can go fast or go slow
Anyway that you feel
I can't wait to see your face
When you're behind the wheel
Don't be nervous, don't be shy
Why stand still if you can fly

Chorus:

Drive me, drive me
The key is in your hands
Drive me, drive me
Just as far as you can
I know where you need to go
Can't get there without me
You can't make it all alone
Why don't you turn the key
Don't be nervous, don't be shy
Why stand still if you can fly

Chorus

Let's go and tear up the road
I know the way baby
Why don't you drive me home
Chorus
