

# Walters & Kazha, The War Is Not Over ( Eurovision 2005 )

Ta na na na... na na...

Na na na... na na...

I slowly walk into the night around  
To see how dreams of people die  
They gently fall from windows all around  
And crash against the ground like glass  
And I'm so sorry I'm so helpless in this angry world  
If only I could change it for one day  
The war is not over everyone knows it  
It's just a reason to make us believe  
That someone is loser someone is winner  
To make us believe that's the way it should be  
But I don't wanna believe  
In the story they all tell  
this fairytale has gone to far  
I take a step and dare myself to be free  
To see how beautiful we are  
that everyone can be a star  
If only we would start believe in dreams  
Believe in who we are  
The war is not over everyone knows it  
It's just a reason to make us believe  
That someone is loser someone is winner  
To make us believe that's the way it should be  
But I don't wanna believe  
But I don't wanna believe  
No, no, no, but I don't wanna believe
